

CONCRETE PUMP HOSE, TEXTILE, 85 BAR

1464-40

Product group	140
Inner tube	Synthetic smooth rubber (SBR)
Cover	Synthetic rubber (SBR)
Temperature min. °C	-30
Temperature max. °C	+80
Media	Special
Reinforcement	Synthetic textile
Safety factor	1:2
Applications and characteristics	Hose for handling abrasive materials in construction such as plaster, stucco and concrete. Used both as a transport hose and working hose. The hose has a rugged construction, but thanks to its textile reinforcement is also flexible and easy to handle. Delivered as a transport tube, equipped with full flow couplings. Self-assembly in Sweden, providing short lead times.
Design	Wrapped, black
