

H24 D AUTO CAL

9028-00-02

Product info	With our new D AutoCal system the machine warn you in intervals when calibration is needed. In a process using a hardened precision bar supplied with the crimper you'll make the calibration on site yourself. The calibration will take you about 10 seconds
Product info2	3 phase. Available in 1 phase; 1,5 - 230 V
Product group	900
Type	Swaging Machines
Other	Automatic,Medium range
Depth	400 mm
Width	800 mm
Height	530 mm
Weight	125 kg
Power	1400 kN
Crimping range	10-61
Maximum hose size	1 1/2"
Die set	H 20
Maximum travel of dies	25
Master die set	84
Master die diameter	80
Machine control	Digital Control
Motor	1 fas - 1,5. 3 fas - 3.

Part No.	Prod. Type	Motor size in kW 3 phase	Voltage	Colour
90280024	H24 D AutoCal	3	230 V	Black, orange and zinc
90280002	H24 D AutoCal	3	400 V	Black, orange and zinc
